

2009 Nova Summer Bridge Program
for 1st-5th Grade Newly Enrolled and Waiting List Students

August 10-14, 8:00 a.m. - 12:00 p.m.

Fee: \$100.00 per student, per session

The Summer Bridge Program is an introduction to the main elements of the curriculum at Nova:

- Language Arts/History
- Mathematics
- Study Skills
- Latin Overview (grades 3-5)

The Bridge Program is being offered to students enrolled for the 2009-2010 school year and to the first twenty-five students on the waiting list for 2009-2010. Students on the waiting list may be offered a spot at Nova up to the beginning of the school year and into the school year and may choose to participate in the Bridge Program to be prepared in the event they are offered a spot. Lack of participation in the Bridge Program will not negatively impact the status of an enrolled student and, likewise, participation in the Bridge Program will not guarantee a spot for a waiting list student. We believe this program will help incoming students with the transition to Nova as well as with preparation for the new school year. While participation in the Summer Bridge Program is highly encouraged for new Nova students, participation is voluntary. We look forward to seeing your child at the Summer Bridge Program.

To register for the Summer Bridge Program, please complete the form below and return it to Nova's main office with the fee by the deadline. (Make checks payable to Nova Classical Academy.)

Session II (August 10-14) the deadline is Friday, July 31.
