

Nova Knights Athletics

Athletic Director – Christian Rovn

Knights Athletic Code of Conduct

As a student athlete, I will respect and support my teammates, opponents, coaches, officials, event staff, spectators, and school staff. I will be at every practice, game, or meeting on time and not leave until the end of the event, unless I have notified the coach with written permission. I will notify all coaches/supervisors of any absences regarding practices and games. I know that how I act reflects on the team, the school, and me. Therefore, I will display good character and use good judgment while participating in athletics for Nova Classical Academy. I understand that academics are my first priority and that participating in athletics is a privilege and not a right. I also will use the issued equipment safely and properly and return anything by the return date or end of the season.
