

Upper School: Supply Lists

Below you will find a list of essential supplies for your student, organized by grade in School of Logic (6-8th) and by subject area in School of Rhetoric (grades 9-12).

***Classes in Math and Latin are scheduled according to ability level and are listed with both SOL and SOR courses.

These supplies can be purchased from many local or national vendors (walmart, target, amazon, etc.) and do not require specific brands or colors unless specified (ex: calculator, dimensions of 3-ring binder, etc.).

All students are issued a daily planner which they are instructed to bring to all classes write down assignment details, due dates, and other information for their classwork. Please check with your student periodically to see they are using this organizational tool, and contact your student's teacher if you have questions or concerns about assignments from their classes.
