

Due to Nova Classical requiring students to wear uniforms, we offer assistance for the purchase of school uniforms for qualifying families, upon request. Requests for assistance are determined based on the family's Educational Benefit* application status.

Assistance is approved for needs at the start of the school year or upon initial enrollment and is not intended for use mid-year except with the express consent of a school official.

Step 1: If you have not already done so, apply for educational benefits using the Free and Reduced Lunch Application in Infinite Campus. This and other information is available under Meal Programs on the Nova Classical website (www.novaclassical.org/resources/info/#meal). Paper applications are also available and should be submitted directly to Nova Classical's Food Service Director.

Step 2: Once approved for Educational Benefits, please contact Nova Classical's Business Office (businessoffice@novaclassical.org) to request uniform assistance. Include in the communication the size and color preferences that are being requested.

Step 3: Requests are communicated to Donald's Uniform by Nova Classical's business office and communication will be sent to the family once confirmation is received.

* Personal family data is protected, and Educational Benefits status is available only to staff relevant to dispensing, managing, and/or maintaining said benefits.

Know Yourself. Know The World.

NOVA CLASSICAL
ACADEMY™
